

Screen/Storm Doors

There are two doors that are approved by the HOA for installation at Casa Park Villas.

The Savannah is a screen/storm door available at Lowes.

Earth tone Brown in color.

Plain glass

Secure lock with Built-in Lock

Exterior/Interior Brass Hardware

Wood Core/ with Dura Tech Material

With Screen Away

(Using the glass insert on this door with the old style front doors can result in the squares melting)

Villager Screen door (is now the Emsco 200) available at Home Depot

This is a standard screen door with an 8-inch kick plate on the bottom.

Must be in bronze color.

A key lock must be used on this door and be bronze in color.

All screen/storm doors must have an additional piece of wood installed at bottom of door to close off opening. The additional piece of wood must be painted the corresponding stucco color of your unit.
